Connecting. Supporting. Inspiring.

Celebrating 10 years in 2019

Guidelines

Introduction

Women in Tourism & Hospitality Tasmania (WITH Tas) was founded to provide support, mentoring and networking opportunities to all women in the tourism and hospitality industry in Tasmania.

WITH Tas is part of an international association and was launched in September 2009 by Tasmania's Tourism Minister at the time.

The student scholarship is a WITH Tas initiative to encourage Tasmanian women to continue with their tourism/hospitality studies.

The Scholarship Award

There will be one award available. The award will grant \$1,000 towards study expenses.

The study sponsorship will be paid by WITH Tas directly to the winner on evidence of successfully completing their tourism/hospitality course or subjects at the end of the year.

Eligibility

All nominees must be currently studying tourism or hospitality subjects throughout 2019: i.e. completing or contributing to a VET or university qualification. Nominees must be at least 18 years of age at the conclusion of term 4 in 2019 and both resident and international students are eligible to apply.

Scholarship Obligations

The winner of the Scholarship will be required to provide:

- . Two (2) progress reports to WITH Tas during the year, in May and in October, about their studies. The report will be included in the WITH Tas members' newsletter and website.
- . Attend at least three (3) WITH Tas functions during the year, which may include one Committee meeting.

Nomination Procedure

Nominations must include:

- . A completed application form (see attached):
 - An overview of yourself and your interests. Include an outline of your studies and achievements.
 - Evidence of your commitment to complete your tourism/hospitality studies in the future.
 - A brief outline of why you have chosen tourism/hospitality as a career and where you see yourself eventually working.

- . A statement of support from a teacher, employer or an industry client.

Tip: Attaching your curriculum vitae would be useful, including updates on any current or previous employment.

Applications Close:

5.00pm Monday 25 March 2019.

Selection Process

The WITH Tas Committee will consider the nominations and short-list applicants for interview.

The interview panel will consist of two WITH Tas representatives.

Notification of Outcome

The successful student will be advised as soon as possible following the interview process.

The Scholarship winner will be announced in April at a WITH Tas function and in the next issue of the newsletter.
